

## CHECKING FOR ALTERNATE MODELS

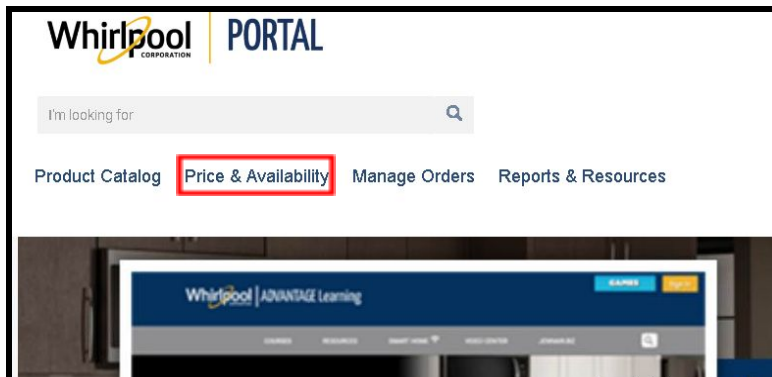

### Purpose

Use this Quick Reference Guide to view the steps to check for alternate models through the Whirlpool Portal.

- Searching for alternate models can also be done through checking the price & availability of a product.
- Alternate products are shown when there is a long lead time for the originally requested product to be shipped.

### Steps – Check for Alternate Models through a Price & Availability Check

1. Start on the Whirlpool Portal **Home** page. Select the **Price & Availability** tab.

2. Type the **Model Number** in the **Product** field. Enter the desired quantity.

A screenshot of the 'Price & Availability' form. The form has a title 'Price & Availability' and a close button (X) in the top right corner. It contains several input fields: 'ZIP Code:' with the value '49022-3607', 'Quote Number (Select):' with an empty dropdown menu, 'Delivery Method:' with a dropdown menu showing 'Standard', 'Product:' with an empty text box (highlighted with a red box), and 'Qty:' with the value '1' (highlighted with a red box). At the bottom of the form is a yellow button labeled 'Check Price & Availability'.

3. Click **Check Price & Availability**.
