

QUICK CHECK PRICE AND AVAILABILITY

Purpose

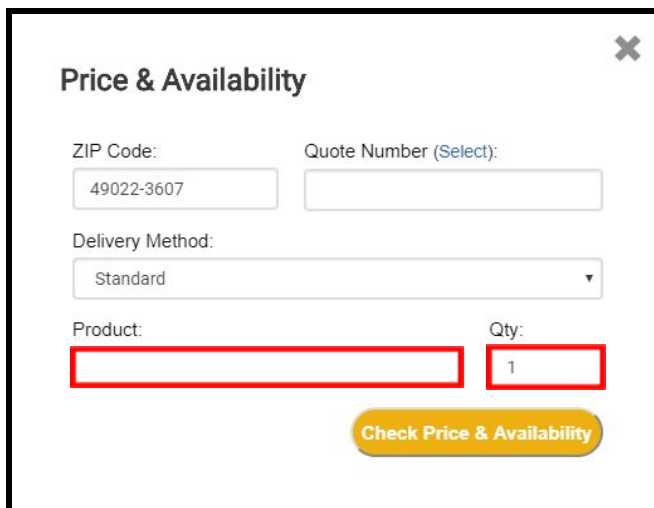

Use this Quick Reference Guide to view the steps to search for a product and its availability through the Whirlpool Portal.

Steps

1. Start on the Whirlpool Portal **Home** page. Click **Price & Availability**.

2. Type the **Model Number** in the **Product** field. Enter the desired quantity.
 - The delivery method can be modified.
 - The zip code can be modified, with proper access to override the delivery address.
 - Contract customers may enter price quotes.

A screenshot of the 'Price & Availability' form. The form has a title 'Price & Availability' and a close button (X) in the top right corner. It contains several input fields: 'ZIP Code:' with the value '49022-3607', 'Quote Number (Select):' with an empty dropdown menu, 'Delivery Method:' with a dropdown menu showing 'Standard', 'Product:' with an empty text box, and 'Qty:' with the value '1'. The 'Product' and 'Qty' fields are highlighted with red rectangular boxes. At the bottom of the form is a yellow button labeled 'Check Price & Availability'.

3. Click **Check Price & Availability**.

4. The product price and availability displays.

- Products can be added directly to the cart or to a previously saved order.
- The search can be updated by changing any of the search parameters, for example, quantity, zip code (must have the proper access to override the delivery address), delivery method, and quote number (contract customers only).
- Alternate models display if the product is not available to ship within 7 days from the current date.
- If a promotion is available, per that model, it will display when making a real time price check.
