

## SEARCHING FOR A PRODUCT

### Purpose

Use this Quick Reference Guide to view the steps to search for a product through the Whirlpool Portal. This guide will show you how to search by browsing the product catalog or through a keyword search. Please reference the Quick Check Price & Availability Quick Reference Guide as an alternative way to search for a product.

### Steps – Browsing the Product Catalog

1. Start on the Whirlpool Portal **Home** page. Click the **Product Catalog** menu.

2. Select the item **Category**.

3. Select the desired product **Category**.

**Categories**

- [Built-in \(81\)](#)
- [Freestanding Electric \(29\)](#)
- [Gas Cooktops \(28\)](#)
- [Electric Cooktops \(27\)](#)
- [Freestanding Gas \(25\)](#)
- [More...](#)

4. Select the desired **Filters**.

- The user is able to filter by: category, type, color, features, brand, MSRP, or depth.

## Steps – Searching Using Keywords

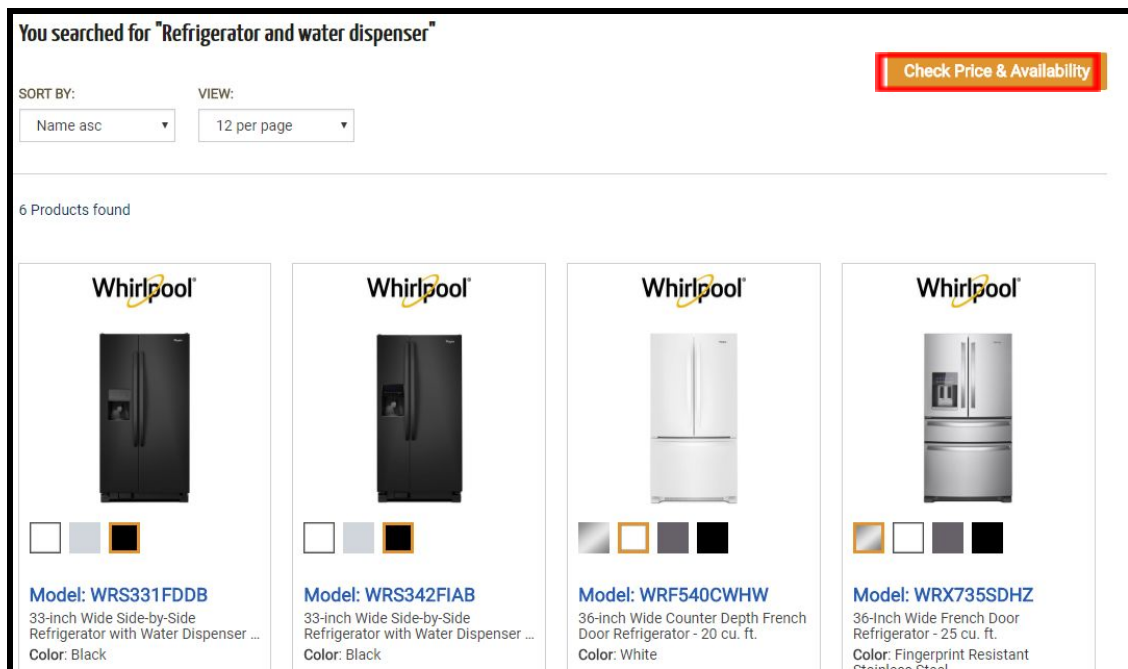

1. Enter a **search term**.
  - When searching for a product, the user can search multiple items simultaneously by using operators such as “and” and “or”, for example, refrigerator and water dispenser.

2. Click the **Search icon** to search.

3. The search results display. If necessary, click the **Check Price & Availability** button to view product price and availability.

4. The product price and availability displays.
